

Steck's Summer Reading Program

Do you want to earn a nice treat from TCBY when you come back to school in the fall? If so, complete the attached form and return it to your new teacher August 25, 2017. No late forms will be accepted.

Once all forms are collected, we will share the date that TCBY will be delivered to our school. It will be so nice and refreshing to have some ice cream or sherbet when the school year begins. TCBY will be provided by the Steck PTA.

Instructions

Copy these challenges with the reading list on one side and the reading log on the other. This challenge gives students plenty of freedom to choose based on what's available at their local library. The reading lists give guidelines for popular, well-written books on the grade-appropriate reading level. Consider giving your students a prize like a special bookmark, or attendance at a summer reading party in the library. We all want our students to keep reading over the summer so that they are ready to start school next year. I hope this helps you and your students to enjoy summer reading!
